

Optional programs for the free Thursday afternoon

The Conference Secretariat does not organize any of the programs below, these are merely suggestions. Please decide on your own and pursue what you like.

1. **Swimming:** One may swim or just take a bath, weather permitting, in the lake Balaton.

The closest possibility is a free beach. It is available by a 5 minutes' walk from the conference site. Walk down 300 m on József Attila street to the right, then take a few steps to the left down a foot path descending through the woods. Cross the railway when out of the woods and carry on straight to reach the lake.

The city beach (strand) is another option, located right after the train station. It needs some 10 minutes to get there. Here one must buy the entrance tickets.

2. **Biking:** Next to the railway station, opposite to the city beach, there is a bike rental place called "Red Bike". They rent cycles for reasonable prices. Address: Mikszáth Kálmán u. 3. (Pamphlets are available at the registration desk.)
3. **Excursion to Badacsony** by train and boat: see the detailed information on a separate sheet.
4. **Walk (or bike) to Balatonföldvár:** one may take a route along the coast, or the one through the Földvár hill. The latter permits you to enjoy a fantastic panorama from the top of the hill. It takes some 15 min by biking or 45 min on foot to get there. From Földvár, one may go up to Kőröshegy, where a nice old church can be found (another 30 min walk or 8 min cycling).
5. **Excursion to Tihany:** Take your car to Szántód Rév (less than 10 minutes), from where there is a ferry to Tihany. Drive around the scenic peninsula, visit the historical fishermen village Tihany with the old benedictine monastery.
